9. REPORTS REQUIRING A DECISION

9.1 COMMERCIAL CARPARK UPGRADES

Responsible Officer: Director Corporate and Community Services

Introduction:

This report seeks support from Council to approve the proposed Commercial Carpark concept plan and expenditure of \$20,064.00 budget and to approve the expenditure of a \$6,864.00 contribution from the Nhill Town Committee.

Background:

The redevelopment of the Commercial Hotel car park was identified and planned as part of the Hindmarsh Open Spaces project that saw the redevelopment of Bonjiornos car park, the installation of new street furniture in Nhill's CBD, installation of up lights in various parts in Nhill and power upgrades in Goldsworthy Park.

A shortage of funding at the time of the completion of the Hindmarsh Open Spaces project did not permit the project to be completed at that time.

Discussion:

Improving public amenity increases community liveability and wellbeing and assists in attracting and retaining tourists.

A conceptual plan (as attached) for the Nhill Commercial Hotel car park upgrade has been developed with significant input from Councils Community Development, and Infrastructure Department staff and the Nhill Town Committee to ensure the plan meets community expectations as well as operational requirements.

A project management plan has been established and can be viewed in Table 1 as follows. It is proposed that established trees will be installed by the middle of November 2017 and installation of the line marking by the end of November.

The conceptual plan was supported by Nhill Town Committee during their committee meeting on the 17th July 2017.

No	Responsible	Work Description	Start Date	Finish Date
1	Council	Council Report	4-Oct	4-Oct
2	Council	Public Consultation & Notification	9-Oct	23-Oct
3	Council	Vicroads Approval	24-Aug	15-Sep
4	Council	Request For Quotation	23-Oct	6-Nov
5	Contractor	Installation of plants and trees	6-Nov	11-Nov
6	Council	Installation of linemarking	27-Nov	29-Nov
7	Council	Project Close & Capitalisation	29-Nov	29-Nov

Table 1 Proposed budget for the Commercial Carpark Upgrades.

Cost estimates were obtained from local contractors and Councils Infrastructure Department. Costs and were supported by Nhill Town Committee meeting on 21th August 2017.

The project was costed at \$20,064.00 and an itemised cost estimate can be viewed in table 3 below. Funding will be sourced from a number of sources including:

- Council’s Urban Trees Replacement Program,
- Carry Forward funding from the Open Spaces Grant,
- Carry forward of surplus funds from Council’s 2016/2017 Business Assistance Grants program, and
- Nhill Town Committee

As the Nhill Town Committee’s committed expenditure exceeds their approved amount in their Instrument of Delegation, a motion was moved at their 21 August 2017 meeting to seek Councils approval for the expenditure of \$6,864.00.

Options:

1. Council can choose to approve the conceptual plan, \$20,064.00 budget and \$6,864.00 expenditure of the Nhill Town Committee.
2. Council can choose to approve the conceptual plan with amendments to the scope of the project and the budget.
3. Council can choose not to approve the expenditure and conceptual plan.

Link to Council Plan:

Strategic Objective 2.1	Well-maintained physical assets and infrastructure to meet community and organisational needs
Strategic Objective 2.3	Healthy and natural environment
Strategic Objective 3.2.2	Appealing tourism facilities that promote visitation and meet visitor needs

Financial Implications:

It is proposed that funding be sourced from relevant sources and include areas where spending has occurred. The relevant budget sources are tabulated in Table 2 below and include business action grants, open spaces grants and urban trees replacement program. Ongoing maintenance will be minimised as plantings will be watered through an irrigation system that is connected to the existing water mains.

Ledger	Item	Amount
30120	Business Action Grants	\$ 3,000.00
20553	Open Spaces Grants	\$ 3,400.00

	Nhill Town Committee Contribution	\$ 6,864.00
