### Wonderful attendance for Women's Fashion and Wellbeing Market

The inaugural Women's Fashion and Wellbeing Market in celebration of International Women's Day has been hailed as a huge success thanks to the many people who supported and attended the event.

Hindmarsh Shire Council Mayor, Cr Ron Ismay said, "Council's community development team has been working with dedicated community members to create an event for women to relax, enjoy some retail therapy and to celebrate a great day."

The event was held at the Nhill Memorial Community Centre on Saturday 3 March 2018 and raised more than \$1,300 for the Breast Cancer Research Foundation through selling raffle tickets, donations, door entry and tea/coffee and scone sales.

Cr Ron Ismay said "The event had a fantastic turnout with many community members travelling from all across the shire to celebrate International Women's Day. Thank you to all of the private stall holders including the Nhill Cancer Volunteer Group and West Wimmera Health Service for volunteering their time to be at the event"

"Congratulations to all of our raffle winners. I want to extend a thank you to Snappy Seconds, the Nhill Newsagency, Jenny Meeks, Lowana and the Nhill Pharmacy for donating items to add to our raffle that has assisted us in raising a substantial donation to the Breast Cancer Research Foundation" added Cr Ismay.
