I Raymond Buttigieg being a Qualified Structural Engineer with a Bachelor of Engineering in Building Engineering and a registered building practitioner have prepared the structural analysis of the proposed Rainbow Skate Park at King St, Rainbow as stated in references above.

I did prepare the analysis and I certify that the above references were undertaken by an acceptable current design procedure and were found to be in accordance with the relevant provisions as required by Part B of the Building Code of Australia and relevant Australian Standards

Signed Building Practitioner:

Raymond Buttigieg
