MEDIA RELEASE

Flash Back Friday – Successful Grease Event!

On Friday 21 September 2018, the Nhill Memorial Community Centre was transformed back in time for a night of 50's fun and entertainment. For one night only, community members were able to enjoy a retro experience at the NMCC 50's Diner including the screening of 'Grease' in a Sing-Along special to celebrate the 40th anniversary of its release.

Hindmarsh Shire Council Mayor Ron Ismay said "Community members have commended the Hindmarsh Shire Youth Council and staff for a terrific event that could not be faulted. It is crucial that the Nhill and broader community continue to support the movies at the NMCC and any of these types of events that are held in the future".

Cr Ismay added "I would like to congratulate the Youth Councillors on providing excellent service and food. It is great to see young people active in our community".

"One of the really pleasing things to see was that people from Hopetoun, Rainbow, Dimboola and Horsham attended the event as well as Nhill and district residents" said Cr Ismay.

Following the success of the Grease retro night, Council would like to hear from community members about future ideas and events.

This event has been made possible through the Victorian Government's Freeza Funding program and the Hindmarsh Shire Youth Council.

For more information please contact Hindmarsh Shire Council on 5391 4444 or email Meg Hall mhall@Hindmarsh.vic.gov.au or Michelle Farinha mfarinha@hindmarsh.vic.gov.au.
