Five Feet Apart

Seventeen-year-old Stella (Haley Lu Richardson) spends most of her time in the hospital as a cystic fibrosis patient. Her life is full of routines, boundaries and self-control—all of which get put to the test when she meets Will (Cole Sprouse), an impossibly charming teen who has the same illness. There's an instant flirtation, though restrictions dictate that they must maintain a safe distance between them. As their connection intensifies, so does the temptation to throw the rules out the window and embrace that attraction.

Breakthrough

Breakthrough is based on the inspirational true story of one mother's unfaltering love in the face of impossible odds. When Joyce Smith's (Chrissy Metz) adopted son John (Marcel Ruiz) falls through an icy Missouri lake, all hope seems lost. But as John lies lifeless, Joyce refuses to give up. Her steadfast belief inspires those around her to continue to pray for John's recovery, even in the face of every case history and scientific prediction. Breakthrough is an enthralling reminder that faith and love can create a mountain of hope, and sometimes even a miracle.
