

## **Swimming Pool Registrations due 1 November 2020**

Hindmarsh Shire Council is reminding pool and spa owners that they must register their pools or spas with their local councils by 1 November 2020.

Owners of pools or spas are now required to register pools and spas with Council and to obtain and lodge a 'Certificate of Pool and Spa Barrier Compliance' for the safety of pool or spa barriers every four years.

Once the pool or spa has been registered, Council will notify owners of the due date for the first certificate of pool barrier compliance. Owners are required to arrange an inspection and lodge the certificate with Council by the due date.

If possible, you will need to provide a copy of the building permit issued for the construction of the pool to determine the year of construction and the applicable barrier standard.

Submit payment of \$31.80 (registration fee) and \$47.20 (records search fee - only applicable if a copy of the building permit cannot be submitted).
