Shire Council

Opportunity This Way

We offer a rewarding career, with excellent working conditions in a modern office and a positive team-focused culture. Take the opportunity to join our dynamic, committed team striving to make a difference to our local community.

Council is an equal opportunity workplace that offers a diverse and supportive work environment.

Development Engineer

Council's Development Engineer plays an important role in further developing our asset management data base and assisting in the development of concept scope and costs estimates for our capital works program through on-site inspections.

This role is ideally suited to someone who displays well-developed communication skills specifically relating to rural Victoria, is highly motivated and has a sound knowledge of, or is willing to learn, project and contract management skills.

Contact Paul Spencer, Strategic Assets Engineer on 03 5391 4444 for enquiries.

HR and Safety Officer

This full time role, based in Nhill is responsible for assisting with Council's Human Resource and Occupational Health and Safety department. The role will give the successful applicant a wide range of experience in human resource management and occupational health and safety. Hindmarsh Shire Council is looking for a highly organised individual. Qualifications in Human Resources will be highly regarded but not essential.

Contact Helen Thomson, Manager Governance & Human Services on 03 53914444 for enquiries.

Applications for both positions close **Wednesday 4 November 2020 at 12:00noon** and **must** address the key selection criteria as contained in the position description. Position descriptions and details of how to apply are available at www.hindmarsh.vic.gov.au
