

Swimming Pool Registrations extended due date 1 November 2020

The Victorian Government has extended the deadline for the mandatory registration of private pools and spas due to the impacts of coronavirus. Hindmarsh Shire Council is reminding pool and spa owners that they now must register their pools or spas with their local councils by 1 November 2020, instead of the initial deadline of 1 June 2020.

Owners of pools or spas are now required to register pools and spas with Council and to obtain and lodge a 'Certificate of Pool and Spa Barrier Compliance' for the safety of pool or spa barriers every four years.

Once the pool or spa has been registered, Council will notify owners of the due date for the first certificate of pool barrier compliance. Owners are required to arrange an inspection and lodge the certificate with Council by the due date.
