MEDIA RELEASE

Changes to Building Services

Hindmarsh Shire Council has recently experienced a resource boost through the award of a new contract for the provision of Municipal Building Surveying and Building Permit services. This agreement is part of a collaborative procurement effort with two other local councils; Horsham Rural City Council and West Wimmera Shire Council.

New contract arrangements mean that the previous one day a week in-house service has been replaced with a 5 day, Monday to Friday service with the building services team operating remotely.

For more information about these changes, and about how to contact the building department, please contact us on (03) 5391 4444 or email info@hindmarsh.vic.gov.au. Alternatively, you can visit our planning and building page on our website at <https://www.hindmarsh.vic.gov.au/planning-building>.
