## **MEDIA RELEASE**

### **Temporary Coach Parking Zones in Dimboola**

Due to construction commencing on the new Dimboola Library, temporary arrangements have been put in place for coach parking and passenger drop off and pick up zones.

Security fencing has been put in place around the perimeter of the construction site which means there will be no through vehicle access.

Pedestrians will be able to access the coach parking zone at the rear of car park via a walkway past the Dimboola CFA Station and vehicles will be able to access the area via the rear roadway.

These temporary zones will be in place until Tuesday 17 September when new temporary zones will be established in Lochiel Street adjacent to the site of the former Dimboola Hotel.

Discussions are continuing with V/Line and Public Transport Victoria in relation to permanent coach parking zones.

The public toilets at the rear of the Dimboola Library will still be accessible from Lloyd Street.

For further information, please contact Phil King, Manager Economic and Community Development, on 5391 4444 or [pking@hindmarsh.vic.gov.au](mailto:pking@hindmarsh.vic.gov.au)
