OUT AND ABOUT

CAPITAL TEAM WORKS UPDATE

Council's construction team are busy undertaking works on Park Street in Nhill and Albacutya Road. Works include upgrading drainage at Park Street and reconstructing the road at Albacutya. Please be careful if travelling through these work sites as the recent rain has slowed the progress of works.

When the weather improves, works on Dahlenburg Road and Horsham Service Lane will also be completed.

PROJECT UPDATES

JEPARIT CAMP KITCHEN

Construction of the new camp kitchen at the Jeparit Swimming Hole (opposite the Jeparit Caravan Park) is progressing well.

Once the installation of the roof and gutters are finished, the electric BBQ and picnic settings will be installed. In addition to the camp kitchen, two dining pods will also be installed in the near future.

Funding for the camp kitchen has been allocated by Hindmarsh Shire Council and the Federal Government's Local Roads and Community Infrastructure Program.

NEW CARAVAN PARK CABINS UPDATE

Below are a few photos of our new luxury caravan park cabins at Riverside Holiday Park Dimboola. Watch this space for photos inside the new cabins at Rainbow, Jeparit and Nhill when they are complete.

Hindmarsh Shire Council is also excited to receive additional funding from the State Government for 6 new cabins in Hindmarsh Shire. The funding will see 1 additional 2-bedroom cabin installed at Jeparit caravan park; 2 additional 2-bedroom cabins at Rainbow caravan park and 3 cabins at Dimboola caravan park including one 3-bedroom cabin.

NHILL TENNIS CLUB ROOMS

The Nhill Tennis Club Room continues to take shape with the external cladding and roofing now complete and the internal plastering currently underway. Once the plastering is complete, the builder will complete fit-out before there is a brief pause with the painter expected to arrive in early October. Installation of kitchenette cabinetry is scheduled for late October with a hoped-for completion in early to mid-November (subject to no unexpected trade or supply delays).

This project has been made possible with funding from the Australian Government's Local Roads and Community Infrastructure Program and Hindmarsh Shire Council.

RAINBOW LAKE DEVELOPMENT

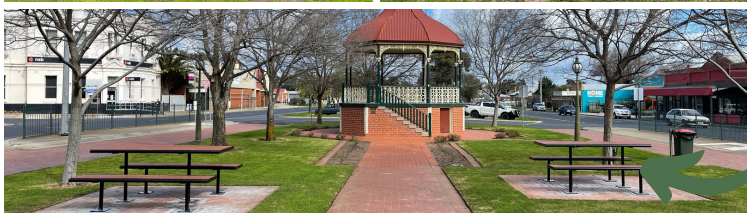

Development of the new Rainbow Lake continues to progress, with new park furniture now in place around the lake. Council supplied the furniture, which includes picnic tables and bench seats with the Lake Committee preparing the concrete pads and installing the furniture. Further activity over the next few weeks will include the installation of a BBQ shelter (and subsequent installation of a commercial grade gas BBQ) and the erection and fit-out of the new Amenities Building.

Council has funded these developments with an allocation of funds from the Local Roads and Community Infrastructure Program provided by the Federal Government.

SEATING AT GOLDSWORTHY PARK

Council's maintenance team have recently installed five new picnic settings throughout Goldsworthy Park.

This has been funded through the State Government's Outdoor Activation Grant program.

RAINBOW SILO DEVELOPMENT

Progress behind the scenes continues for the development of the Llew Schilling Silo in Rainbow as the latest addition to the Mallee Silo Art Trail. This project will see a viewing platform installed at the top of the 10-storey high structure and visitors will have the option of taking either an elevator or stairway to the top. In line with other Silo Art attractions, large-scale art installations will also be a feature of the Rainbow Silo.

Draft designs are currently at the development stage, with the Architect seeking feedback from the project's Building Surveyor to ensure the design is compliant with the Building Code – no easy task when dealing with a 34-metre-high concrete silo! Council is also currently seeking the services of a structural engineering consultancy to ensure that the design and Silo are able to stand the test of time.

Once the draft design is fully developed (and checked), Council will seek feedback on the development via a community consultation process.

Funding for this project has been provided by the Victorian Government's Tourism Infrastructure Program – Flagship Projects.

YOUTH COUNCIL UPDATE

On Tuesday 30 August, our Hindmarsh Shire Youth Councillors undertook the first of two sessions of "Teen Mental Health First Aid", run through Wimmera Primary Care Partnership with facilitator Lissy Johns. This training is in preparation for the recording and publishing of their Youth Mental Health Podcast.

Dimboola Youth Councillor Marrie Sellens said "The recent Mental Health First Aid class gave us many resources for if we, or a loved one, were struggling with mental illness. It also encouraged us to reach out and helped us to give us a voice, while providing options on how to approach a serious situation".

Youth Councillors have one more session of this training next week before they will receive their certificate! How great is that?

If this training is something you would like to see happen for all youth in our Shire, or if you have any other questions, you can speak with one of friendly Youth Councillors! You can also contact our Youth Officer on 03 5391 4444, or email youth2@hindmarsh.vic.gov.au.

This training was made possible through our 'Engage! Program' funded by the Victorian State Government.

COMMUNITY SATISFACTION SURVEY

Hindmarsh Shire's second quarterly Community Satisfaction Survey commenced on **Thursday 1 September 2022, running through until Friday 30 September 2022.**

Please remember that the interviewer:

- will never ask for people by name (they don't have names),
- will always identify as National Field Services and introduce themselves by name,
- will always say how long they expect the survey to take,
- will call from a number with the prefix: (03) 9977 This may change over time but they will not call from a mobile number.
