

The diagram shows a rectangular court with a width of 13.40 m and a height of 3.05 m. The court is divided into two halves by a central vertical line. On the left half, there is a circle with a radius of 30 cm, centered 4 cm from the left wall and 2 cm from the central line. On the right half, there is a circle with a radius of 2.45 m, centered 2.45 m from the right wall. At the bottom center, there is a semi-circle with a radius of 90 cm. The caption below the diagram is "The Court".

*Please note dimensions shown are for court playing boundaries only, Actual size of court surface space to be constructed is 18m x 12m including allowance for external run off zones*
