## RAINBOW SILO ART

On Monday 22 December 2025, Council held a soft opening for locals of the newest addition to the Silo Art Trail - Rainbow Silo Art.

Many years in the making, the Silo is now open and ready for our community and visitors to see - a spectacular addition to the Silo Art Trail.

The view from the top of the platform, around 28 metres above ground level, across the Mallee landscape changes as the seasons change. The Silo incorporates external artwork, and internal artwork accessed by a lookout tower with two points to view inside the Silo. The top platform can be accessed via a staircase or a lift.

Information about the Rainbow Silo Art, including how to access the Silo, is available on the Hindmarsh Shire Council website:

## HINDMARSH AUSTRALIA DAY AWARDS 2026

Australia Day started early in Hindmarsh Shire on Monday 26 January 2026, commencing with a BBQ breakfast in Rainbow at 7:30am, followed by ceremonies in Jeparit, Dimboola, and Nhill.

Joined by the Deputy Mayor and Councillors, Hindmarsh Shire Council's Australia Day Awards were presented by Mayor Ron Ismay throughout the day.

See pages 7-9 for details about the successful recipients of the Hindmarsh Shire Council Australia Day Awards.

## INTRODUCTION OF FOGO BINS IN HINDMARSH

At the Council Meeting held on Wednesday 4 February 2026, a report was presented to Council on introducing a Food Organics and Garden Organics (FOGO) kerbside collection service for urban properties in Hindmarsh Shire. This service is mandated by the State Government and will enable semi-regular collection of food and garden waste.

As a starting point to introducing this mandatory service to residents in the Shire, Council consulted with residents via a survey on its "Have Your Say Hindmarsh" website to determine the collection frequency that the community preferred.

At the conclusion of the consultation period, the results stated the following:

- **9.7%** preferred **Option 1** (Weekly FOGO and Fortnightly General Waste Collection)
- **57.9%** preferred **Option 2** (Fortnightly FOGO and Weekly General Waste Collection)
- **14.5%** preferred **Option 3** (Fortnightly FOGO and Fortnightly General Waste Collection)
- **17.9%** preferred **Option 4** (Weekly FOGO and Weekly General Waste Collection)

Analysis of the community feedback received indicated a clear preference of Option 2 - Fortnightly FOGO and Weekly General Waste Collection, and as a result of this, Council unanimously carried a motion at its Council meeting to support this.

Council will continue to work with neighbouring Council's to establish a local processing facility for the FOGO waste to be transported to. More information about the roll out of the new service will be communicated with the community later in the year.

# NHILL HOLIDAY PARK MULTI-UNIT CABIN ARRIVES

Contractors have delivered a new multi-unit cabin to the Nhill Holiday Park last week and have commenced with installation and fit out.

The new cabin, featuring 3 independent two-berth units, will provide a relaxing retreat from the road for weary travellers, contractors working in the area or those visiting Nhill to explore all that Hindmarsh Shire has to offer.

Cabin installation will take approximately 3 weeks after which the units will be furnished, ready for occupancy.

This project has been made possible with funding from the Victorian Government's Regional Tourism Investment Fund and Hindmarsh Shire Council.

## ALL-NEW GRANDSTAND AND CHANGEROOMS AT DAVIS PARK NOW COMPLETE

The new grandstand and changerooms facility at Davis Park in Nhill is now complete in time for the 2026 football and hockey season, with the seating already being used by summer cricket spectators.

The grandstand features 147 seats, including an all-abilities accessible ramp and seating areas, a large media room overlooking the oval and a corporate room with a sink and storage. There is also an all-abilities carpark located at the rear of the building.

The changerooms feature two large changeroom areas, each with a shower room including 4 shower cubicles, 3 toilets and a trainer's room with a small sink.

The new facility also features split systems throughout, ensuring patrons are comfortable regardless of the season.

Council is currently liaising with the Nhill and District Sporting Club (NDSC) and government officials to schedule an official opening of the facility. We will promote this once a date has been locked in. Keep an eye out on Council and NDSC's Facebook pages for this.

This project has been made possible with funding from the Federal Government's Local Roads and Community Infrastructure program, Hindmarsh Shire Council, Sport and Recreation Victoria's Country Football Netball program and Nhill and District Sporting Club.

## COMMUNITY SATISFACTION SURVEY

Hindmarsh Shire Council would like to inform residents that from Monday 2 February through to Sunday 15 March 2026, your household may receive a call from an independent market research agency, National Field Services.

National Field Services have been commissioned to conduct a community satisfaction survey on behalf of Council. Similar surveys will be undertaken across Victorian councils. The survey has been designed to assess the performance of Council across a range of measures to identify ways to provide improvement or more effective service delivery to residents.

We appreciate you taking the time to assist us with your valuable feedback.

Please be assured that your details and individual responses are confidential. Only the overall results are shared with Council.

### When Council's annual Community Satisfaction Survey is underway, please remember that the interviewer:

- will never ask for people by name (they don't have names),
- will always identify as National Field Services and introduce themselves by name, (e.g. Mark from National Field Services)
- will always say how long they expect the survey to take,
- calls will come from a number with the prefixes: (03) 5202, (03) 5141, (03) 4217 and (03) 9977. This may change over time, but they will not call from a mobile number.

If the interviewer knows your name and/or starts to ask personal questions, please hang up from the call immediately.

If you have any questions, please don't hesitate to contact Hindmarsh Shire Council's Customer Service Team on 03 5391 4444 or email [info@hindmarsh.vic.gov.au](mailto:info@hindmarsh.vic.gov.au).

Bob has contributed to the Nhill community through many different avenues, the largest and most recognisable is with the Nhill Lions Club where he has earned himself the nickname 'BBQ Bob', as he spends more time than anyone else behind the BBQ.

On top of organising and cooking the BBQ for the Nhill Lions Club, Bob has also spent countless hours volunteering to assist with maintaining the Lions Rose Garden in Nhill with other volunteers and assisting with the set up for the Nhill Lions Club Markets. He also assists other organisations and groups around town by working the gate at Davis Park Nhill, assisting the CFA on Good Friday when they are collecting donations for the Good Friday Appeal and setting flags up at the Nhill cemetery for ANZAC and Remembrance Day.

Jake Smith was born in Nhill and lives in Jeparit. He attended the Jeparit Primary School and Dimboola Memorial Secondary College, before commencing work at Ahrens in Tarranyuk. ## HINDMARSH YOUNG CITIZEN OF THE YEAR DAH LAY HTOO SHWE

Dah Lay Htoo Shwe, also known as 'Star', has had an extremely vital and positive impact on the Karen youth at Nhill College and the greater community. Star works as an Education Support Officer at Nhill College, where she supports and assists Karen students within the classroom. Her impact extends beyond this, as she also assists new families with enrolment, uniforms, accessing online platforms, ordering booklists and all communications with Nhill College as students settle in. Star also provides out of hours support to both students and their families and assists them with any queries they may have. Star's caring and approachable nature draws students and parents to seek her support, which she willingly provides.

Star also supports students at the weekly homework club after school every Tuesday where she encourages students to complete all tasks and review their schoolwork. This is something that Star offers outside of her role at the Nhill College. She also takes the time to assist the Karen community with translating information to help them better understand how to sign up with the Nhill and District Sporting Club and more recently, the new Social Media laws that have been introduced for young people. Star is always enthusiastic and engaging and only wants the best for the youth that she works with.

On top of all the tremendous support she provides the community, Star also volunteers with her church and runs the youth group. This involves organising activities for the Karen youth to participate in, often organising meaningful day trips so that the youth can continue to learn and thrive under her guidance. Star also drives and picks up the Karen youth from their homes to take them to church and youth group. Her compassion for supporting the Karen youth is admirable and inspiring.

## HINDMARSH COMMUNITY EVENT OF THE YEAR THANK DUCK IT'S FRIDAY

Luv-a-Duck's event 'Thank Duck It's Friday' was a free event organised for the community on Friday 21 March 2025. It involved live music, family fun, free giveaways and face painting for kids at Jaypex Park, Nhill. This free community event organised by Mark Shandley saw over 200 locals attend where they enjoyed a night of music in a relaxed environment. Additionally, all proceeds and money raised were donated to the Nhill and District Sporting Club.

'Thank Duck It's Friday' had favourable economic benefits with many people travelling to Nhill for the free event from nearby towns, the Nhill District Sporting Club who received a substantial donation, and the ingredients and supplies required for the event were purchased locally at various shops in Nhill.

Council sincerely thanks everyone who took the time to submit nominations for the 2026 Hindmarsh Shire Australia Day Awards.

There are many wonderful members in the community who contribute to making Hindmarsh Shire a great place to live, work and visit. Whether it be through countless hours of volunteer work, holding and organising community events that contributes to tourism and economic growth, or farming and running a business to provide services and goods to keep our towns running, Hindmarsh Shire thrives because of these great people and all that they do. It's important to acknowledge and thank them.

A big thank you to the volunteers who run the Australia Day events each year – Lions Club of Rainbow, Jeparit Town Committee, Dimboola CWA and Lions Club of Nhill.

# NATIVE VEGETATION REMOVAL

If you are considering removing native vegetation from your property, we encourage you to have a chat with Council's Planning Department before doing so. In Victoria, a permit is usually required to remove, destroy or lop native vegetation unless an exemption applies. This legislation is set by the State Government and applies across all Councils, it is also outlined in the Hindmarsh Planning Scheme.

## What is native vegetation?

It includes all plants indigenous to Victoria, including trees, shrubs, grasses, and herbs.

## Why this is important

Native vegetation provides habitat for plants and animals and delivers a range of ecosystem benefits that make land more productive and contribute to human well-being. This is regulated to ensure that there is no net loss to biodiversity as a result of the removal, destruction or lopping of native vegetation. We recognise that these requirements can sometimes feel challenging for farmers needing to manage productive land or for landowners wanting to build or improve residential properties where established trees are present, and Council aims to work collaboratively to find practical solutions wherever possible.

## Need help?

If you need assistance lodging a planning permit application or would like to speak to someone about vegetation removal, please contact the Planning Department on (03) 5391 4444 or email [development@hindmarsh.vic.gov.au](mailto:development@hindmarsh.vic.gov.au).

## Cover to Cover Grant Success for Dimboola Library

Hindmarsh Shire Libraries was successful with its funding application through the Living Libraries Infrastructure Program, with the funding recipients announced in November 2025.

The Living Libraries Infrastructure Program (LLIP) is a Victorian Government initiative providing grants for upgrading public library facilities and supports diverse projects, from minor refurbishments to major builds.

In this recent round of funding, Hindmarsh Shire Libraries applied for funding to install two large shade sails in the Dimboola Library courtyard (the open space between the Old Shire Hall that fronts Lloyd Street and the Library hub building), as well as some internal blinds on the east-facing windows of the library which have already been installed.

We are excited to create a more useable, sun-safe outdoor space at our Dimboola Library allowing activities to take place safely outdoors and increasing public usage opportunities outside of the library operating hours.
