At the meeting held on Wednesday 24 June 2026, Hindmarsh Shire **Council adopted its Annual Budget**, incorporating the Revenue and Rating Plan, **for the 2026/2027 financial year**.

One of the key focuses of this annual budget – shaped significantly by community consultation – is addressing the priorities identified by our residents. **The community has told us that roads and pedestrian infrastructure are the highest priority**, so Council is **investing \$4.411m** in road construction, resheets, reseals and final seals, kerb and channel, and footpaths (capital works).

COUNCIL ADVOCATES FOR RURAL ROADS & JEPARIT WEIR FUNDING

Council has been **strongly advocating for funding to replace the Jeparit Weir**, as well as a **dedicated rural Council fund that can be spent on maintaining and improving roads and facilities** within Hindmarsh Shire.

Council has prepared advocacy documents on these two priorities. During the recent National General Assembly in Canberra, Hindmarsh Shire Mayor, Cr Ron Ismay, met with Minister McBain (Minister for Regional Development, Local Government and Territories), Minister Bowen (Minister for Climate Change and Energy), and Senator Stewart to discuss rural funding, the implications of renewables and mining on our communities, and challenges faced by rural councils.

Council staff and Mayor recently attended a meeting with the Federal Minister for Water's Senior Adviser to discuss the Jeparit Weir. Similar meetings are being planned with the State Government.

HAVE YOUR SAY - PUBLIC TRANSPARENCY POLICY

Council is currently seeking feedback on its updated Public Transparency Policy.

The **purpose of the Public Transparency Policy** is to support Council in its ongoing drive for good governance and reinforce the importance of open and accountable conduct. In practice, it provides guidance as to how Council information is to be made publicly available. Council must adopt and maintain a public transparency policy under section 57 of the *Local Government Act 2020*.

A review of this Policy was conducted in line with the review schedule and assessed against the requirements of the *Local Government Act 2020*.

HAVE YOUR SAY

To provide your feedback, please complete the survey on our Have Your Say Hindmarsh website by scanning the QR code.

Feedback closes **11:59pm on Friday 17 July 2026**.

HAVE YOUR SAY - HINDMARSH SHIRE LIBRARIES SERVICES

Hindmarsh Shire Council owns and manages four libraries within the Shire located in Nhill, Dimboola, Rainbow and Jeparit.

We are currently completing a review of our library services, and we want to know if the current services, programs and resources align with the community needs, as well as identify any changes to services or new programs patrons would like to see in our libraries.

We are always looking for ideas and input on what we can do differently – and just as importantly, if you enjoy our current services that we offer and programs that we run, we would love to hear that too!

HAVE YOUR SAY

If you are a member of Hindmarsh Shire Libraries, have visited one of our libraries before or would like to use our libraries in the future – we want to hear from you!

To provide your feedback, please complete the survey on our Have Your Say Hindmarsh website by scanning the QR code.

The survey closes **11:59pm on Sunday 12 July 2026**.

PURPLE GLASS BIN COLLECTIONS

All purple glass bins in Hindmarsh will be collected on the following Fridays:

- **25 September 2026**
- **18 December 2026**
- **12 March 2027**

COUNCILLORS OUT AND ABOUT

Hindmarsh Shire Councillors have been out and about in June attending the Portraits of Belonging Exhibition Opening at the Nhill Gallery, being onsite at Dimboola for Channel 9's Postcard filming as well as attending various community and committee meetings and events held throughout the Shire.

You may have seen Cr Ismay at the Portraits of Belonging Exhibition with his fellow Councillors (Cr Barker and Cr Uoy), Cr Aitken at Rainbow Town Committee meeting, Cr Barker at the Nhill Historical Society Open Day, Cr Barry and Cr Uoy at the CEO Drop-In Session held in Dimboola and Cr Clark at the Rainbow Lions Club meeting.

To contact a Councillor or invite them to your event, visit www.hindmarsh.vic.gov.au/councillors.

To find out what Councillors and the CEO have been up-to, see section 6, Activity Reports, of any of our Council Meeting agendas. These are available on our website at www.hindmarsh.vic.gov.au/council-meetings.

HINDMARSH RECEIVES COMMUNITY SATISFACTION RESULTS

Hindmarsh Shire Council has **received results from the 2026 Community Satisfaction Survey**, and thanks all members of our community who took the time to share their feedback.

The Community Satisfaction Survey forms part of the picture of how we identify areas for improvement and track progress over time. We also look at other input like complaints, service requests, in person consultations and the feedback received from community members who take the time to tell us when we're doing something well – everyone's experience matters.

Hindmarsh Shire Council has recorded continued improvement in its overall performance, with community satisfaction increasing to one of the highest levels achieved in recent years. While the improvement is modest, it builds on a positive trend over the past three years and reflects steady progress across most of Council's service areas.

Over the next 12 months, Council will prioritise strengthening community consultation and engagement, as well as ensuring decision-making continues to reflect the interests of the community. Targeted efforts will be directed towards improving perceptions in the West Ward, where results were lower compared to other areas.

HINDMARSH SHIRE JOINS CAREERS EXPO

Hindmarsh Shire Council joined dozens of exhibitors on Tuesday 23 June 2026 at the Western Victorian Careers Expo. Students from across the region converged at the Wimmera Events Centre to explore a huge range of future pathways..

Local government may not always be the first career pathway young people consider, which made it especially valuable for our team to connect with students at the Expo. From immediate employment opportunities, such as lifeguarding at local swimming pools, through to traineeships and future careers in engineering, town planning, mechanics and more, the event provided a fantastic opportunity to showcase the diverse range of employment pathways available at Hindmarsh Shire Council.

At the Council Meeting held on Wednesday 24 June 2026, Hindmarsh Shire Council **adopted three policies**.

- **Council Grants Administration Policy**, a new policy that outlines how Council grants will be administered in terms of oversight, transparency, and community benefit.
- **Hardship and Financial Hardship Policy**, which now addresses both financial hardship and hardship arising from other personal circumstances. It provides a framework for managing payments, ensures options offered are proportionate, consistent and clearly communicated.
- **Native Vegetation on Rateable Land Policy**, which outlines the rebate available to properties with existing arrangements with Council through Landcare Management Agreements or Conversation Covenants.

To view these adopted policies, you can read them on Council's website at **www.hindmarsh.vic.gov.au/policies**.

COMMUNITY NOTICE - ILLEGAL USE OF GLUE TRAPS IN HINDMARSH

Council has received notification from the Department of Energy, Environment and Climate Action (DEECA) regarding reports of the use of an illegal substance to control pest birds within the Hindmarsh Shire municipality.

Glue traps are any trap that uses glue, adhesive material, or a similar sticky substance to trap an animal or insect.

In Victoria, the sale and use of glue traps for trapping animals is prohibited, including use by commercial pest control operators. Significant penalties apply for the illegal sale or use of these products.

Council reminds residents, landowners and businesses that:

- The use of glue traps to capture animals **is illegal in Victoria**.
- Native wildlife can be seriously harmed by these devices.
- Significant penalties may apply for the sale or use of prohibited glue traps.
- Alternative, lawful pest management methods should be used.

If you are aware of the use or sale of glue traps for animal control, please report it to the Royal Society for the Prevention of Cruelty to Animals (RSPCA) Victoria Inspectorate either online via <https://rspcavic.org/who-to-call/> or by calling **(03) 9224 2222**.

UPCOMING SALE OF LAND – 289 GREIG ROAD, ANTWERP

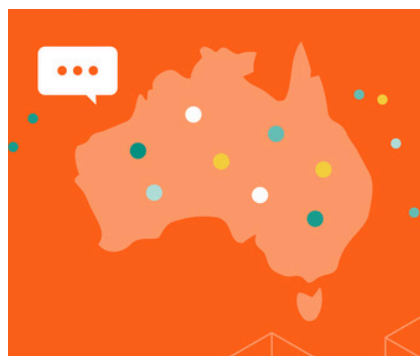

At the meeting held on Wednesday 24 June 2026, **Council approved to proceed with the disposal and sale of the land located at 289 Greig Road, Antwerp.**

This decision was made following a public consultation held between 7 May 2026 and 4 June 2026 where the community were provided the opportunity to have their say on the proposal of Council selling this land.

The land located at 289 Greig Road Antwerp was previously part of a number of quarries that Council maintained for road making materials. This land has since become unsuitable for this purpose; the quarry has been rehabilitated and become surplus to Council needs.

If you would be interested in being notified when this land is listed for sale, please contact Mick Henderson, Manager Assets and Facilities, on (03) 5391 4444 or email mhenderson@hindmarsh.vic.gov.au.

2026 CENSUS - TUESDAY 11 AUGUST 2026

The next Census is on Tuesday 11 August 2026.

The Census is a snapshot of Australia's people and housing, and tells the story of how we are changing. Census data helps governments, community groups and businesses plan services for individuals, families and communities, where and when they are needed.

Every household and person in Australia on Census night must be included on a Census form, including visitors to Australia, international students and babies.

Instructions on how to complete the Census will be delivered to households from late July. If you know where you'll be on Census night, you can complete your Census as soon as you receive your instructions. You can complete online, by paper, or with help from the Australian Bureau of Statistics.

The information you provide in the Census is confidential and protected by law. Your information is not shared with anyone, including other government agencies.

In the Census, every answer matters to help us understand what Australia needs now and into the future.

For more information visit www.census.abs.gov.au.
