

CONDITIONS FOR USE FOR THE COMMUNITY VEHICLE

Introduction

The Hindmarsh Shire Community Bus is a community based, not for profit service sponsored by the Hindmarsh Shire Council (**Council**).

Council intends that the vehicle be used to increase access to both appropriate and affordable transport for community groups within the Hindmarsh Shire (**Shire**) by providing a service where there is nothing currently available.

Access

Access to the Community Bus is to be determined by Council's eligibility criteria and guidelines. At no stage should the vehicles be used to compete with commercial services or offer services that are already available within the Shire. Council reserves the right to refuse access to groups that do not meet the eligibility criteria.

A copy of the drivers licence is to be obtained by the Council booking officer and the Hire Agreement and Driver

CONDITIONS FOR USE FOR THE COMMUNITY VEHICLE

Declaration must signed before access to the vehicle is given. Should it be expected that there be more than one driver over the course of the trip, all drivers must present their licence to the booking officer.

Drivers are expected to drive in a responsible manner and abide by all road rules. Any claims arising out of negligent driving will not be covered by Council's insurance.

Service Cost	The cost to each not-for-profit organisation/group is 40 cents per km. It is the responsibility of the hiring organisation to refuel the vehicle prior to return. Council reserves the right to charge groups a bond on hire of the vehicle which is fully refunded on return of a clean, fueled and undamaged vehicle. Charges start from when the vehicle is collected.
Priority of Use	The priority of use of the Community Vehicle is the responsibility of Council. The priority is to be determined through community consultation and particular emphasis should be given to groups within the community for whom transport is currently unavailable.
Booking cancellations	Hindmarsh Shire is to be advised of cancellations as soon as possible, preferably no later than twenty-four hours prior to vehicle pick up, so that the vehicle can be booked by other users.
Vehicle Condition Report	All drivers are required to complete the Vehicle Condition Report prior to the journey and at the completion of the journey. The Vehicle Condition Report needs to be completed by the driver and signed by a Council staff member where possible. The Vehicle Condition Report will be provided with the conditions of use
Incident/Hazard Report	In the event of an accident, breakdown or damage, the driver must ensure that an incident/hazard report is completed and forwarded to Council. The report is on the back of the vehicle condition report
Log Sheet	The log sheets are located in the vehicle console. Details of each trip are to be recorded in the logbook. Details must include each driver's name, the speedometer readings at the start and finish of the trip, total kilometres travelled, time of departure and return.
Cleaning of the Vehicle	Each group that uses the vehicle is responsible for ensuring that it is returned clean and in the same order it was picked up/delivered. Failure to do so will result in the group being invoiced for the cost of cleaning the vehicle.
Vehicle Fueling – DIESEL ONLY	It is the responsibility of each organisation / group to ensure the vehicle is fully fuelled when it is returned. Failure to do so will result in the organisation concerned being invoiced for the fuel and any administration costs.
Vehicle Garaging	The vehicles must be parked in a safe, off street location at night where the booking is for an extended period.
Vehicle pickup and return	The designated pickup and return location for the vehicle is the rear of the Council office in Nhill. Each hiring organisation is responsible for the pickup and return of the vehicle to this point. Arrangements for key pick up and return will be made with the Booking Coordinator prior to vehicle pick up. For user groups outside of Nhill that may have difficulties with this arrangement, the Booking Coordinator will endeavour to assist, through use of Council staff, alternative pickup and drop off points.
Vehicle Repairs	Mechanical malfunctions should be <i>immediately</i> brought to the attention of the Booking Coordinator. Any required repairs should also be brought to Council's attention as soon as possible utilising the incident/hazard form.

CONDITIONS FOR USE FOR THE COMMUNITY VEHICLE

Insurance Claims/Accidents	In the event of an accident it is the responsibility of the organisation using the vehicle to immediately inform the shire so that an insurance claim can be organised. Notification must be followed with an incident report which is provided at time of booking. Council's insurance policy excess for over 25 yrs of age is \$500.00. The hiring organisation is responsible for damage costs up to this amount.
Passengers	The Toyota HiAce is licenced to carry 12 people (including the driver). At no time should this passenger limit be exceeded.
Seat Belts	All seats in the HiAce are fitted with seat belts. It is the driver's responsibility to ensure that passengers wear their seat belts at all times while the vehicle is moving.
Disabled Parking Permit	Groups will have access to a disabled parking permit if required. The permit is located in the vehicle console. Please do not abuse the permit. Where passengers would not usually fit the criteria for issue of a disabled parking permit, please refrain from using the permit.
Fines	All traffic and parking fines are the responsibility of the driver. Council takes no responsibility for any fines incurred.
Smoking	Smoking in the vehicle is strictly prohibited.
Consumption of food and drink	Food and drink are not to be consumed in the vehicle at any time.
Breach of Guidelines	If a breach of these guidelines occurs, Council reserves the right to immediately withdraw the vehicle from use by the offending person and/or to refuse to allow the use of the vehicle in future.
